## **PROSITES EXHIBITS MEDICAL WEBSITE SOLUTIONS AT THE 2007 ANNUAL AESTHETIC MEETING AT THE JAVITS CONVENTION CENTER IN NEW YORK CITY**

### **ProSites Exhibits New Website Designs in Booth #474**

**Temecula, CA – April 18, 2007** – ProSites, Inc., the nation's leading provider of high quality website design and Internet marketing services for medical professionals, is pleased to announce its participation in the prestigious 40<sup>th</sup> Anniversary Celebration for the Annual Aesthetic Meeting on April 21-24, 2007, at the Javits Center in New York City.

ProSites will be exhibiting in **Booth #474**, and showcasing new website styles and graphics designed to appeal to plastic surgeons. A visit to the ProSites booth offers doctors an opportunity to evaluate ProSites' exclusive WebEngine technology while taking a free, no obligation test drive of their website solution before making a purchasing decision. This unique opportunity to "try-before-you-buy," is what differentiates ProSites from its competitors.

"The annual Aesthetic Meeting attracts plastic surgeons interested in the latest cosmetic surgery procedures, educational advances in the industry, and any new technical products available to them," ProSites CEO Lance McCollough says. "As a returning exhibitor we feel this venue continues to be an excellent way for us to personally meet some of our existing clients, while demonstrating to prospective clients the ProSites website solution. Showing doctors how to streamline their online appointment requests, customize their website, and present information in a visually appealing way to prospective patients is a rewarding experience for us," said McCollough.
