

ProSites Recognized on Inc. 500|5000 List for Second Year in a Row

Innovator in website design and Internet marketing shows three-year growth of 161%

Temecula, CA - September 7, 2011 – *Inc.* magazine has named ProSites to the fifth annual Inc. 500|5000 list, an exclusive ranking of America's fastest-growing private companies. ProSites was ranked #1677 on the list and #158 within the advertising & marketing industry. By making the list two years in a row, ProSites joins the rarified company of enterprises that have appeared on the list multiple times.

"We are proud to be recognized once again by *Inc.* magazine," said Lance McCollough, founder and CEO of ProSites. "Our success directly correlates with the success of our clients, and that's what our dedicated team focuses on each and every day. Our exclusive technology and expertise in Internet marketing has helped our clients to grow their practices in a tough economy, and that's really exciting."

ProSites is the innovator that introduced the first content management system for medical and [dental websites](#). ProSites' unmatched Website Editor gives doctors more flexibility and greater control over their website. From adding new pages and editing content to uploading photos and videos, every aspect of a doctor's website can be modified using the easiest "point and click" website editor in the industry. Regarded as the premier online marketing solution for doctors and dentists nationwide, ProSites has earned numerous endorsements from the largest medical and dental associations in America.

"*Inc.* recognizes the creativity, dedication, and hard work that have gone into building ProSites into what it is today," said Jane Berentson, Editor in Chief of *Inc.* magazine. "As an Inc. 5000 honoree, ProSites shares a prestigious pedigree with such notable alumni as Intuit, Zappos, Under Armour, Microsoft, Jamba Juice, Timberland, Clif Bar, Patagonia, Oracle, Zipcar, and scores of other powerhouses."
